## Prescription Drug Card For Traumatic Injury (CA-1)

The US Postal Service is pleased to announce that First Script, a national Pharmacy Benefit Program, is available for your use when filling prescriptions related to your traumatic injury (CA-1).

### BENEFITS:

- No out of pocket expense for your initial prescription
- No need to file for reimbursement
- Nationwide pharmacy network with 61,000 locations
- Dedicated call center to handle your questions

### EMPLOYEE INSTRUCTIONS

The card below is to be used for your initial traumatic injury prescription. When you need a prescription simply present this card to your pharmacist along with your prescription for your work-related injury.

When your traumatic injury claim is accepted by the OWCP, you'll be mailed a permanent card from First Script for use when filling future prescriptions.

If you require assistance or have questions regarding the use of this prescription drug card, please call the Prescription Help Line toll free at **1-888-297-0822**.

### PHARMACY INSTRUCTIONS

The US Postal Service participates in First Script, an online pharmacy benefits program administered by PharmaCare. To obtain billing information, please call **1-888-297-0822**, available 24/7. All prescriptions are processed online with guaranteed payment.

#### Instructions:

When your claim is accepted by the OWCP, you'll be mailed a permanent card from First Script for use when filling future prescriptions.
