LINE OF TRAVEL (LOT) WORKSHEET
(Line Of Travel = DPS Sequence)

ROUTE #: **ZIP:** **CONTACT:** **DATE:**

CHANGING LINE OF TRAVEL: To change the delivery sequence on route, list the line numbers that are listed on the current Route Edit Book.

EXAMPLE: Route has 843 deliveries; current line of travel is line 1 – 843.

NEW delivery sequence:

1. 512 - 843
2. 391 - 511
3. 12 - 1 (This will reverse the delivery pattern for these deliveries)
4. 104 - 390
5. 13 - 103
